

2020 Grant Application FAQ

- **Does this mean the Foundation’s mission or funding priorities are changing?**
 - No, we are simply making a few changes to the application and clarifying various questions.
- **Will the Foundation’s deadlines change?**
 - No, the Foundation deadlines will remain the same: July 10, October 10, January 10, and April 10. All by 5:00 p.m.
- **What types of changes were made?**
 - The new grant application has additional questions and attachments.
- **Are there new reporting requirements?**
 - No, all reporting requirements will remain the same. Please visit the Current Grantees page for more information.
- **Are we changing the application or reporting process?**
 - No, the process remains the same. We suggest that all applicants use the Online Application System.
- **If we applied in January 2020, does this apply to us?**
 - No, the new 2020 Grant Application will begin with the April 10, 2020, application deadline.
- **Does this have any impact on when we should apply for a grant?**
 - The new grant application will not affect grant submission dates.
- **When will materials be available?**
 - Available now.
- **Do I need to create a new log-in?**
 - No, you do not need a log-in or passcode unless you save your progress and resume later.
- **Why and how would I save my progress?**
 - If you are unable to finish your Grant Application, you can click “Save my progress and resume later” at the top of the Grant Program Application page. You will then choose an email and password. You will be emailed a link which will allow you to return to your application with your saved information.

- **How do I resume my saved application?**
 - To resume an existing application, select “Resume a previously saved form” at the top of the Grant Program Application page or use the link emailed to you. Enter in the email and password you created and resume your application.
- **What if I still have other questions?**
 - Please contact staff if you have any questions:
