To Whom It May Concern:

It is with deep sadness and regret that the City of Sanford Parks and Recreation Department has made the difficult decision to cancel the 46th Annual Golden Age Games scheduled for November 6 through 15, 2020.

We are very disappointed to make this announcement, but with the ongoing COVID-19 pandemic we feel that it is not in the best interest of the senior participants to bring large groups together to compete in the games as seniors are one of the most vulnerable groups. We will miss the competitions, the fellowship and sportsmanship, but for the safety of all participants, officials and volunteers, the events have been cancelled.

The Golden Age Games is a Series Qualifier for the Florida State Senior Games which are hosted annually by The Florida Sports Foundation, which has yet to determine the fate of the Florida State Games this year. The state qualifying senior games are independently managed and directly communicating with athletes about the status of their events in 2021. NSGA encourages you to directly contact the senior games office(s) in any location(s) where you plan to participate in 2021. A directory of the state qualifying senior games with contact information is available at NSGA.com under the STATE GAMES tab.

NSGA's guiding principle is to act in the best interests of our athletes, State Senior Games, partners and staff. By postponing the Games to 2022, our hope is that COVID fears will be greatly reduced and more athletes will be comfortable with travel, training and participation.

2020 Florida Senior Games – Open Qualifier

The Florida Senior Games (FSG) is opening its Games for all participants to compete at its 2020 competition set for December 5-13, eliminating the requirement of competing at and finishing in the Top 5 of an individual's respective age group at one of its local series qualifiers.

With the cancellation of 13 of its 22 local series qualifiers, the Games look to ensure there is an opportunity for all to participate at its 2020 competition.

What does this mean? Anyone aged 50 and above can register for the 2020 Florida Senior Games presented by Humana without a qualifying performance. In previous years, a Top 5 finish, in the athlete's respective age division, at a local qualifier punched one's ticket to the state level of competition.

Please note that the 2020 competition is no longer in the Broward County/Fort Lauderdale area.

The 29th Annual Florida Senior Games will be held December 5-13, for athletes age 50 and over. Individual event registration will open in the near future as facilities and competition dates are finalized. Participants are encouraged to check the [FloridaSeniorGames.com](https://floridaseniorgames.com) website regularly for updated event information, locations, and registration.

Florida's Sunshine, Public Records, and Ethics Laws

Presented by: Ben Gibson, General Counsel

Enterprise Florida, Inc. (EFI)

- **288.901 Enterprise Florida, Inc.—**
- (1) CREATION.—(a) There is created a nonprofit corporation, to be known as “Enterprise Florida, Inc.,” which shall be registered, incorporated, organized, and operated in compliance with chapter 617, and **which is not a unit or entity of state government.**

EFI Creation

(b) The Legislature determines it is in the public interest and reflects the state's public policy that Enterprise Florida, Inc., operate in the most open and accessible manner consistent with its public purposes.

To this end, the Legislature specifically declares that **Enterprise Florida, Inc., and its divisions, boards, and advisory councils, or similar entities created or managed by Enterprise Florida, Inc., are subject to the provisions of chapter 119 relating to public records and those provisions of chapter 286 relating to public meetings and records.**

Public Records

Chapter 119, Florida Statutes.

- Definition of “public record” is very broad.
- Section 119.011(12), Fla. Stat.
 - “Public records” means all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency.
 - Includes a private entity acting “on behalf of” public agency.
 - Used to perpetuate, communicate, or formalize knowledge.

What is a Public Record?

- Essentially ANYTHING that relates to the official business of EFI:
 - Documents?
 - Emails?
 - Text Messages?
 - Facebook Messages?

Yes! If it relates to the official business of EFI.

To determine if something is a public record look at the content of record NOT the form of communication!

Are there exemptions?

- Yes. Florida law provides that some public records are exempt or confidential and exempt from the public records laws.
 - Example: Social Security #'s, Certain Home Addresses, Certain Health information, etc.
- In order for something to be exempt- there must be a specific exemption in law.

Exemptions Specific to EFI

- Plans, intentions, or interests of companies looking to locate, relocate, or expand business activities in Florida (must request and subject to time requirements)- (s. 288.075(2), F.S.)
- Trade secrets (288.075(3), F.S.).
- Proprietary confidential business information (288.075(4), F.S.).

Who can request?

- Anyone.
- Requestor not required to show a “legitimate” or “noncommercial interest”
- Request cannot be denied because “overbroad.” Agency may charge for copies and reasonable service charge.
- Requests do not have to be in writing. Requestor does not have to disclose identity or reason for requesting.

How long to keep records?

- Retention period depends on the content of the record not the form of the communication.
- Do NOT destroy or delete records without knowing the applicable retention period.

Public Records Tips

- Assume that every record you create or receive related to EFI is a public record.
- Retain all records relating to your EFI Board service.
- Do not respond to a public records request on your own. Contact EFI Communications if you receive a public records request.

Sunshine Law

Section 286.011, Florida Statutes.

Florida's Sunshine Law in Article I section 24(b), Florida Constitution and Section 286.011, Florida Statutes provides a right of access to governmental proceedings of public boards or commissions at both the state and local levels.

Law is equally applicable to both elected and appointed boards. Applies to virtually every public board in Florida with exception of Legislature and Judiciary.

Applies to boards of EFI, Florida Sports Foundation, and Florida Defense Task Force including any subgroup of boards.

Sunshine Law

- Three basic requirements:
 - Meetings must be **open** to the public.
 - Reasonable **notice** of meeting must be given.
 - Written **minutes** of meetings must be taken and recorded.

Sunshine Law

- Applies to *any* gathering of two or more members of the same board to discuss some matter which will *foreseeably* come before that board for action.

Sunshine Law

- Board members may not engage in private discussions with each other about board business, whether in person or by telephone, emailing, texting, or any other type of communication (Facebook, blogs, etc.)

Sunshine Law

- Does not apply to staff as long as acting in traditional staff role.
- Does not apply to Board member discussions with staff.
- However, staff cannot be used as a liaison to communicate information from one board member to another.
