Chair Biter asked for a motion to approve the March 24, 2022, meeting minutes.
Leticia Adams moved approval of the minutes, as presented. Lynn Thompson seconded the motion, and the members concurred unanimously.

President's Remarks

President Suggs thanked everyone for attending the final meeting of the fiscal year! She welcomed Carolyn O'Connor to the Board of Directors.

In echoing the sentiments of the Board Chairman, she thanked the entire Board, Chairman Biter, and Grant Chair Kelleher for their exemplary leadership and continued support. She thanked the dedicated staff who provide exceptional service in accomplishing the organization's mission and the industry partners who continue to lead the efforts in ensuring we renew outstanding events while growing the sports tourism footprint and developmental efforts with the newly attracted business.

In closing, she noted that a complete review of the FY22 fiscal year and FY23 outlook briefing would be shared during the first quarterly meeting of the year.

Amateur Sports Update
Leticia Adams began with an update on the Sunshine State Games, presented by Amazon. Over 3,000 athletes have competed in SSG events since February. Fifteen additional sports will be contested in 18 Florida destinations throughout the month.

For forty-three years, the Sunshine State Games has provided amateur sports opportunities to Florida athletes of all ages and has been used as a springboard to national and international competitions by many Florida athletes. The Sunshine State Games debuted in 1980 and is the longest continuously-running State Games in the U.S.

The 2022 National Senior Games were held in the Greater Fort Lauderdale area, May 10th through the 23rd, with over 1,600 Florida Senior Games athletes registered to compete. Florida athletes combined to win over 900 medals in the 21 sports contested. Florida athletes were featured daily in 13 editions of the National Senior Games Digital Newsletter Update, "The Games Daily."

The Florida Grapefruit League Spring Training Games launched on Friday, March 18th, and ran through April 6th. Over 570,000 baseball fans attended 128 Florida Spring Training baseball games over 21 days in 13 Florida communities.

Palm Beach County applied for Spring Training Retention Funds to renovate Roger Dean Chevrolet Stadium in Jupiter, Florida, the spring training home of the Miami Marlins and St. Louis Cardinals. The application was forwarded to the Department of Economic Opportunity for the final review and decision.

Finance Report
Nyea Sturman provided a year-to-date budget update through Q3. She reminded the Board that the specialty plate revenue cap of $3M was reached in February. The professional sports teams, Buccaneers, Heat, Lightning, and the Panthers led Q3 specialty plate sales. The non-sport team's Q3 plates sales total fifty-nine thousand eight hundred thirty-five dollars ($59,835).

State appropriations for SSG, FSG, and grant programs revenue total one million two hundred ninety thousand ($1,290,000), and private cash contributions totaled three hundred eighty-six thousand six hundred and eighty-three dollars ($386,683).

Budgeted program expenses total just over $4.5 million. Non-program expenses were nine hundred ninety-two thousand six hundred thirty-six dollars ($992,636).

As of March 31, 2021, the total cash on hand is $4,978,690.

The FY23 budget request of five million seven hundred ninety-six thousand two hundred and thirty-eight dollars $5,796, 238 was presented and discussed. The budget proposal includes a one-time $500,000 legislative appropriation increase for the grant program.

Chair Biter asked for a motion for approval of the FY23 budget. Nyea Sturman provided a motion for approval, and Sean Flynn seconded the motion. The motion was carried unanimously.

Grant Committee Report

Sarah Ouellet provided analysis and review of grant cash flow.

Grant Chair Kelleher presented the grant requests totaling $729,195. Forty-five grants were presented; thirty-seven major grants totaling $729,195 and eight small market grants for a total of $31,000. The projected economic impact is $149.9 million and 160,543 expected visitors.

The grant committee's recommendation for approval was $600,185—the major grant total of $572,989 and the small market grant total of 27,196.

Mike Dyer provided a motion for approval, and Jay Feaster seconded the motion. The motion was carried unanimously.

Closing Remarks & Adjournment

Chairman Biter thanked the members for attending the meeting and for their commitment to the Foundation. He thanked President Suggs for her leadership of the organization and for securing additional funding for the FY23 program year.

Farewell wishes were extended to Marcus Bach Armas and Leticia Adams for their dedicated service and support of the organization.

Condolences were extended to the family and friends of Mr. Rick Nafe. Mr. Nafe previously served on the Board than 15 years. He was widely known as a gifted leader in sports operations, and his wisdom and presence in this space will be missed.

Re: DEO Agreement No: SB21-004-A3 4th Quarter - Summary - (2.B.vii)

Dear Cory:

The Florida Sports Foundation had another unprecedented year. During the final quarter of FY 22, Florida hosted its first ever Formula One event and two additional iconic national events: the 2022 National Senior Games and the 2022 Special Olympics. Consequently, playing host to these major national and international events, we exceeded the 21-22 performance measures. As a result, we achieved 535% of the out-of-state economic impact standard for **regional and major sporting event grants**, and the number of attendees standard reached 859%.

Providing activities that allow Florida residents to be active and participate in competitive sports is essential to our mission. The Foundation continues to seek and secure resources to enable the organization to grow and add to the variety of events offered. During the FY22, the Foundation secured a sponsorship with Amazon to host the Sunshine State Games and extended the Humana sponsorship of the Florida Senior Games. As such, the number of **Florida Senior Games** and **Sunshine State Games** event participants exceeded expectations by 255%, and economic contributions increased by 194%, exceeding the standard as documented by 2.B.vi, the update on the Annual Measures.
